

Who We Are:

An American owned company and proud of it.

Since 1850, Sheffield has been manufacturing dentifrice products. We compound and fill more than just toothpaste. We also produce other products such as cream, health & beauty aids, over the counter ointments.

We are registered in the State of Connecticut and operate in compliance with all FDA regulations.

We Are Growing!

Growth allows us to offer career opportunities, such as;

- Chemists
- Maintenance
- Machinists
- Production Line
- Quality Control
- Supervisors
- Warehouse Personnel

Super Benefits

- Medical Insurance
- Dental Insurance
- Life Insurance
- Annual Profit sharing
- 401-K Retirement Plan
- Paid Holidays
- Paid Vacation
- Personal Time
- Flexible Spending Account
- Dependent Care Spending Account
